A thanks for the beautiful quilts our members so lovingly stitch for folks in need of comfort & warmth. Your work is appreciated tremendously. A happy soul nurtured from within while creating a gift of love. Ladies you are amazing.... keep stitching.

Meeting In-Person Rules & Clean-Up Crew Next Month

Hello Ladies,

Hostesses are still needed. However, we aren't going to have food. We do need you to sanitize before or after the meeting. Supplies are provided, we just need you to wipe down the tables & chairs.

We are now going alphabetically in the Guild for our Hostesses. I will contact those each month personally for this task so be looking for those emails & text messages. If there is a reason you can't assist, please let me know as soon as possible so we can arrange for someone to take your place. We are excited to be meeting in person but still need to be safe.

For everyone's safety we are asking everyone to follow a few requests:

- ♥ Please use hand sanitizer before entering. (will be provided)
- ♥ Wearing a mask inside is **now optional**.
- ♥ If you bring your own food or drink **it may not be shared** with other people & we request that drinks have lids.

Thank You, Jan Rogers

NOTE FROM OUR PRESIDENT

We are gearing up for the quilt show, it's going to be a wonderful one. I hope everybody has their entries turned in & if not there's still room. Please remember that sign up online or till June 2 or you can mail it in by postmark of June 2.

I hope everybody enjoyed the May meeting. We are looking for a bigger space because I know we are going to grow out of our space we are currently in. Many feelers have been put out & we are just waiting for information. Please note that everyone on the board is really working hard to make this a wonderful year.

We will soon be looking for people to be on next years board so be considering if you would be willing to serve in a position on the board. If we don't have a board, we don't have a governing body. We really need to make sure that our board stays staffed. Please Volunteer if you can.

President, Jamie Williams

P.S. Checkout the great pictures that Kathy takes of each meeting. We have posted them on our Facebook page. Thanks Lisa & Barbara for all the beautiful quilts you have made over the years. You will be missed. Hope you Enjoy your move to Tyler, Tx.

ABOUT THIS MONTH'S PROGRAM

Barbara Sylvester presented a program “Serge Quilting Start to Finish.” She gave many tips & techniques for using a Serger for piecing & quilting & showed examples of the work. On Wednesday 5 of us went to Variety’s Peaceable Kingdom for a workshop on Serger Quilting. We learned to set a ¼” seam on the Serger & made some practice blocks.

In the morning we made a placemat using squares & in the afternoon we made with a quilt as you go placemat or a table runner. Everyone enjoyed the class & the quiet scenic setting.

On June 15th, our program will be presented by **Dot Collins**, well known Texas quilter & presenter. The program will be “**Beyond Stack & Whack**”.

On Wednesday the 16th, the workshop will be held at Variety’s Peaceable Kingdom & will be constructing a **Dresden Plate Stack & Whack**. You can sign up on the website or at the meeting,

OUR SUNSHINE & SHADOWS

Ladies,

With the many unusual weather & health conditions we are experiencing, staying plugged into our sewing machines & preparing over stoves is impossible to fill our entire day. However, a few minutes could be the perfect time to send a card.

Listed to the right is a list of greetings that I can **ALWAYS** send on behalf of the Guild & all it takes is a card, envelope & stamp. Are you short on words? Google "What to say in a greeting card" & you will be flooded with examples that you can write on a blank card.

If you think of someone when answering the questions, please let me know & on behalf of the Wildflower Quilt Guild, I will personally send a card.

Please send to me any/all individuals who have deceased to keep WQG records complete.

TEXAS QUILT SHOWS, FESTIVALS, HOPS & MARKETS

Listed below are all the Quilt shows that we've found for the next 6 months for you, so that your bees & friends can plan Carpooling Day Trips to any of these events ahead of time.

These are all the ones that I could find that haven't been canceled due to Covid-19. Because we don't know how long Covid-19 will last please keep checking back here to make sure that the shows haven't been canceled. Due to Covid-19 there isn't as many as there has been in the past. Please check with each show before planning to go. Some of the groups are setting up tour reservation time schedules to minimize the number of people inside at a time.

While we do research to find as many of these that are available for our members to attend, we may miss some from time to time or they are on my list as canceled until they deem it safe to be around each other in large groups. If you know of one that isn't on the list, please let me or Sarah Dauro know so that we can add it on next month's newsletter.
